PROGRAMME

Another reason to commemorate is this year's 30th edition of the biggest and oldest Cross-country event held and one of the biggest of the world.

The Automóvel Club de Portugal and the Municipality of Portalegre want to provide everyone with a motive to be present in Portalegre from the 27th to the 29th October 2016.

As last year, on Friday (28th) after the Super Special Stage (prologue) will be done a 85 km stage, to be finished at the same place of the prologue. This will allow a double passage, being a great satisfaction for spectators.

As absolute novelty will be held a starting Ceremony in the Jardim do Tarro gardens, in the city center of Portalegre.

This ceremony will take place on the night of the 27th (Thursday) and will present the teams that will participate in the 30th edition of the Baja Portalegre 500.

In addition to the presentation, which will happen with the passage through the podium, the moment counts with a series of activities to dignify the ceremony. There will also take place a ceremony an exhibition of classic cars and some historical vehicles of the Baja.
