PASSAGE CONTROLS – Safety Zones

Competitors are reminded to respect all the provisions of article 43.2 of 2016 FIA Cross-Country Rally General Prescriptions:

43.2 Safety zones

- a) With the aim of ensuring safety in the PC zone, a "Safety Zone" will be installed at each PC;
- b) Speed in the zone will be limited to 30 kph and controlled by the GPS;
- c) The speed check will be carried out according to the sketch below;

- d) The regulation boards at the entry to the PC zone do not indicate the Start of the Safety Zone SSZ);
- e) Only the information displayed on the GPS monitor(s) will be considered authentic;
- f) In the event of an infringement, the competitor will be penalised and the calculation of the penalties will be as follows:

Between 1 and 15 kph:	1 minute x the number of impulsions + a fixed amount of €50
Between 16 and 40 kph:	2 minutes x the number of impulsions + a fixed amount of €100;
Over 40 kph: 1st impulsion:	5 minutes + a fixed amount of €300;
2nd impulsion:	10 minutes + a fixed amount of €500;
3rd impulsion:	15 minutes + a fixed amount of €700.

Any further impulsions over 40 kph will result in a penalty at the discretion of the Stewards.
