5. Article 12 – Service (new text)

12.7 For SSVs it is compulsory for all competitors to stop for refuelling in all of the Service Areas on SS3 on October, 28

5. Article 15 – Start for SS2 and LEG 2 (new text)

15.1 Starts for SS2 will be given by order of the classification of SSS1. Penalties registered at the TCs installed during Leg 1 won't influence start order for SS2.

First Bikes, then Quads and at least SSVs.

The first 20 bikes will start every 30 seconds and the rest 4 by 4, every minute, Quads individually each 30 second and the first 10 SSVs will start every minute, and for all others each 30 seconds. There will be 10 minutes time interval between categories.

15.3. The start for Leg 3 of the event will be given based on the classification obtained with the sum of the results obtained on SS1 and SS2. First Bikes, followed by Quads and, finally, SSVs. The penalties recorded on TCs installed during the first stage won't influence the start order for Leg 3.

The first 10 bikes will start one by one every minute, the 10 following bikes will start one by one every 30 seconds and the other bikes will start 4 each minute. **The first 5 Quads will start every minute and the others will start every 30 seconds. The first 10 SSVs will start every minute and the others will start every 30 seconds. There will be a 10 minutes gap between the last bike and the first Quad, and a 15 minutes gap between the last Quad and the first SSV.**
