1. Article 12 – Service (revised text)

12.7 For SSVs it is compulsory for all competitors to stop for refuelling in all of the Service Areas on SS3, **except for SSVs with fuel tank of large capacity that will be compulsory at minimum 1 stop in one of the Service Areas during SS3**, on October, 28.

The competitors with the large capacity fuel tank are not classified on the National Championship (FMP).

The Jury of the race,
